

# Listening Sessions

## August 18

On August 18<sup>th</sup> at 6:30 p.m. Regular Meeting of the Three Lakes Town Board of Supervisors, there will be two listening sessions: Session #2 on the Slow No Wake Legislation and Session #1 on Road Construction Projects. Citizen participation is highly encouraged, especially seasonal residents before they leave for the year.

The new Slow No Wake Legislation passed in Madison this Summer takes effect in February, 2010. This is the second of three planned listening sessions to get input on how the new regulations should be applied to the Three Lakes Chain starting with the 2010 season. For Road Construction Projects, this is the first of two planned sessions to get citizen input on what roads and projects they think the Town needs to consider for 2010 and beyond.

During the listening session portion of a meeting, the usual rules are temporarily suspended to allow open interaction between the Board and citizens. Those attending will have the chance to fully express any opinions they may have. You may also submit written comments if you cannot attend.

More questions? Please contact the Town Office: 546-3316, 6965 W. School Street.
